A Taste of Science Museum Exhibit

**Date and Time:** Tuesday, February 11 09:30 a.m. - 4:00 p.m.

**Event Location:** 550 King Street North, Inside Conestoga Mall, Waterloo, ON

The City of Waterloo Museum hosts a new exhibition on loan from the Canada Agriculture and Food Museum: A Taste of Science.

**What:** A Taste of Science
**Where:** City of Waterloo Museum, located at Conestoga Mall (near the food court)
**When:** until March 20, 2020

A Taste of Science is an interactive exhibition that engages all your senses. The exhibition will highlight the role science plays in delaying food decay and keeping food nutritious and safe for us to eat. This bilingual exhibition is suitable for all ages and offers menu items for both the mind and the imagination.

The development of food preservation methods is almost as old as human civilization itself. Every country and culture across the world has adopted a way of food preservation, which the museum will explore, demonstrating some of the methods still practiced today.

Children and adults can immerse themselves in an oversize pantry, learn different food preservation techniques, discover what makes food spoil, and for the courageous you can even smell different types of food that have spoiled.

For holiday and extended hours, visit waterloo.ca/museum.

Stabat Mater

Date and Time: Friday, February 14 08:00 p.m. - 10:00 p.m.

Event Location: Centre in the Square, 101 Queen St. N, Kitchener

Andrei Feher, Conductor
Aviva Fortunata, Soprano
Paula Murrihy, Mezzo Soprano
Andrew Haji, Tenor
Stephen Hegedus, Baritone
Grand Philharmonic Choir

Beethoven: Symphony No. 1 in C major
Rossini: Stabat Mater

Music Director Andrei Feher leads the orchestra in Rossini’s masterpiece, the Stabat Mater. Religious in subject matter, the music is decidedly operatic and unashamedly theatrical, indicative of the operas that made Rossini famous. Beethoven’s First symphony is built on the achievements of his predecessors Haydn and Mozart and is distinctly classical. Though at the time Beethoven and Rossini did not see eye-to-eye, they are now both considered classical greats.

Stabat Mater

Date and Time: Saturday, February 15 08:00 p.m. - 10:00 p.m.
Event Location: Centre in the Square, 101 Queen St. N, Kitchener

Andrei Feher, Conductor
Aviva Fortunata, Soprano
Paula Murrihy, Mezzo Soprano
Andrew Haji, Tenor
Stephen Hegedus, Baritone
Grand Philharmonic Choir

Beethoven: Symphony No. 1 in C major
Rossini: *Stabat Mater*

Music Director Andrei Feher leads the orchestra in Rossini's masterpiece, the *Stabat Mater*. Religious in subject matter, the music is decidedly operatic and unashamedly theatrical, indicative of the operas that made Rossini famous. Beethoven's First symphony is built on the achievements of his predecessors Haydn and Mozart and is distinctly classical. Though at the time Beethoven and Rossini did not see eye-to-eye, they are now both considered classical greats.

Tickets: $20-87, available at [kwsymphony.ca](http://kwsymphony.ca), 519-745-4711 or 1-888-745-4717

**The State of Responsible Tech in Business: Artificial Intelligence**

**Date and Time:** Wednesday, February 19 07:00 p.m. - 9:00 p.m.

**Event Location:** 67 Erb Street West

During the past few years, the conversation about responsible technology has intensified. Increasingly, we are seeing that technology is not and can never be neutral, that it holds significant implications for people and society, and that intelligent technologies have consequences. Threats to democracy and society, as well as their considerable resources and technical capability are not the only issues at play. There are other factors that must be considered: the scale of social media platforms; the technologies on which they are built; and the economic environments in which they operate.

Join us for an evening with CIGI Senior Fellow, Susan Etlinger, who will delve further into these issues and offer her expertise on the state of responsible tech in business, specifically related to artificial intelligence.

A Taste of Science Museum Exhibit

Date and Time: Friday, February 21 09:30 a.m. - 4:00 p.m.
Event Location: 550 King Street North, Inside Conestoga Mall, Waterloo, ON

The City of Waterloo Museum hosts a new exhibition on loan from the Canada Agriculture and Food Museum: A Taste of Science.

What: A Taste of Science Where: City of Waterloo Museum, located at Conestoga Mall (near the food court) When: until March 20, 2020

A Taste of Science is an interactive exhibition that engages all your senses. The exhibition will highlight the role science plays in delaying food decay and keeping food nutritious and safe for us to eat. This bilingual exhibition is suitable for all ages and offers menu items for both the mind and the imagination.

The development of food preservation methods is almost as old as human civilization itself. Every country and culture across the world has adopted a way of food preservation, which the museum will explore, demonstrating some of the methods still practiced today.

Children and adults can immerse themselves in an oversize pantry, learn different food preservation techniques, discover what makes food spoil, and for the courageous you can even smell different types of food that have spoiled.

For holiday and extended hours, visit waterloo.ca/museum.

**Bake for the Animals**

**Date and Time:** Monday, February 24 08:00 a.m. - 6:00 p.m.

**Event Location:** Kitchener Waterloo Humane Society

Bake for the Animals is a Fundraising effort for The Humane Society of Kitchener Waterloo and Stratford Perth. Simply bake your favorite treats, sell them and donate the funds to the animals.

Bake for the Animals was born from a love of baked goods and fluffy animals (because who doesn't love both!). In the past we celebrated everything cupcake, and now we are broadening our horizons. Why? Well because we felt a little guilty of leaving our friends cookie, brownie and donut out of the mix. Cake and pie were also feeling a little glum. So in 2020 we're turning over a new spoon and saying "ALL SWEETS NOW WELCOME!". That's right, we don't discriminate.
Register for the Centre of your choice - the Stratford Perth Humane Society or the Kitchener Waterloo Humane Society - and create your online bakery. Want to register as a team? No problem! You can register your team page, as well as your personal online bakery page. Once you're registered, you'll receive a host kit in the mail with lots of fun party planning materials. You can also download extra party goods from our downloadable resources!

So bust out your best baking skills and whip up a treat or two in support of our furry friends at the Humane Society of Kitchener Waterloo & Stratford Perth. We can't WAIT to see what you creative cooks come up with!

And wait, there's more, if you want to get a jump start, raise $150 by 12:00 pm on Friday, February 7th and get entered into a draw to win a Blendtec Classic 575 Blender!

Bake for the Animals

Date and Time: Saturday, February 29 08:00 a.m. - 6:00 p.m.
Event Location: Kitchener Waterloo Humane Society

Bake for the Animals is a Fundraising effort for The Humane Society of Kitchener Waterloo and Stratford Perth. Simply bake your favorite treats, sell them and donate the funds to the animals.

Bake for the Animals was born from a love of baked goods and fluffy animals (because who doesn't love both!). In the past we celebrated everything cupcake, and now we are broadening our horizons. Why? Well because we felt a little guilty of leaving our friends cookie, brownie and donut out of the mix. Cake and pie were also feeling a little glum. So in 2020 we're turning over a new spoon and saying "ALL SWEETS NOW WELCOME!". That's right, we don't discriminate.

Register for the Centre of your choice - the Stratford Perth Humane Society or the Kitchener Waterloo Humane Society - and create your online bakery. Want to register as a team? No problem! You can register your team page, as well as your personal online bakery page. Once you're registered, you'll receive a host kit in the mail with lots of fun party planning materials. You can also download extra party goods from our downloadable resources!

So bust out your best baking skills and whip up a treat or two in support of our furry friends at the Humane Society of Kitchener Waterloo & Stratford Perth. We can't WAIT to see what you creative cookers come up with!

And wait, there's more, if you want to get a jump start, raise $150 by 12:00 pm on Friday, February 7th and get entered into a draw to win a Blendtec Classic 575 Blender!
